2 Let's do it!

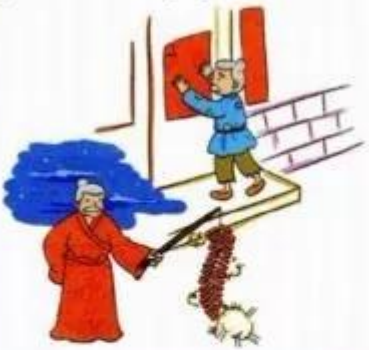
Li Ming is telling the story of Nian. Read and answer.

Every year on the eve of the Spring Festival, Nian came to eat people and animals. People had to run to the mountains.

One year, everyone ran to the mountains except an old man and his wife. The old man was too sick to walk, so his wife stayed behind to help him. A poor man walked past their house. He was very hungry, and the old woman gave him some dumplings to eat. "Please take the dumplings and run to the mountain quickly. Nian is coming! He will eat all of us!"

"Don't be afraid," said the poor man. "Nian is afraid of the colour red and the sound of firecrackers." The man put on red clothes and put some red paper on the door. When Nian came, the man lit some firecrackers in the yard. Nian was afraid and ran away.



People have lived a happy life ever since.

2. Why did the old man and his wife stay at home?
