The Power of a Foreign Language

Christmas is coming. The mice are very happy. They are going to decorate their house.

They are going to buy a Christmas tree, some presents, and some nice food, too!

On their way to the supermarket, they see a big cat. They are scared and want to run away.

"Stop, everyone," a smart mouse says calmly. "Don't be afraid! I have a good idea."

The smart mouse walks to the big cat and shouts, "Woof! Woof! Woof!"

The big cat is scared and runs away. "See? This is the power of a foreign language."
